DIY Hand Sanitizer & Face mask holder
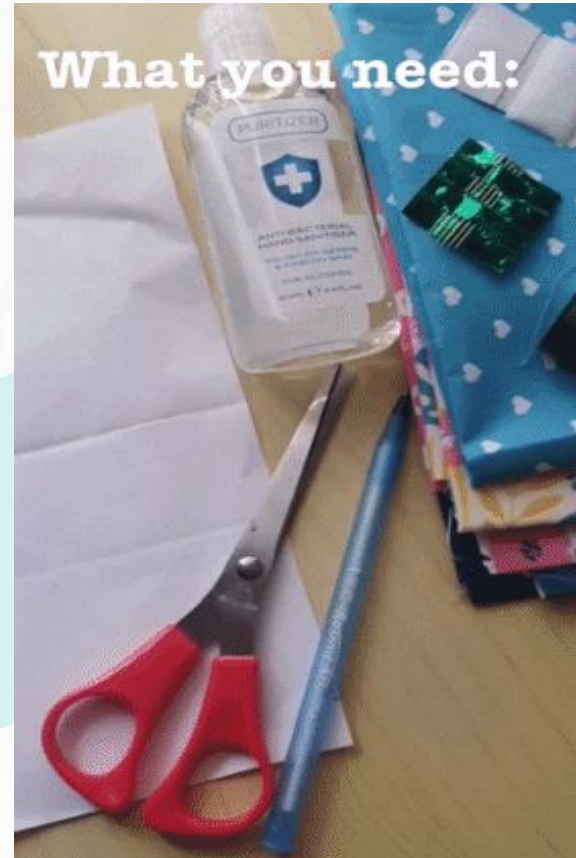

Trade and Handicraft Department

Materials:

What you need for this project:

- Fabric
- Scissors
- Needle & Thread
- Keychain
- Paper/Pen
- Stick-ons/Buttons

Decoration to your preference

Template:

This is a standard size template, it will fit most bottles.

- Part A = 22 x 10cm

- Part B = 12 x 10cm

- Part C = 11 x 10cm

- Part D = 4 x 25cm

Template:

- You will need 3 rectangles of part A

- You need 1 square of part B

- You need 1 square of part C

- You need 1 strip of part D

Step 1.

Fold and Sew 2 out of 3 pieces separately

Turn inside out

(Part A)

Step 2.

Wrap up the strip
neatly and sew.
(Part D)

Step 3.

Place Part D on top of Part B.
Then place Part C and sew the top.

Step 4.

Flip Part B + C + D and place on top of A. Sew the top.

Step 5.

This is what Part A + B + C + D should look like sewn together

Step 6.
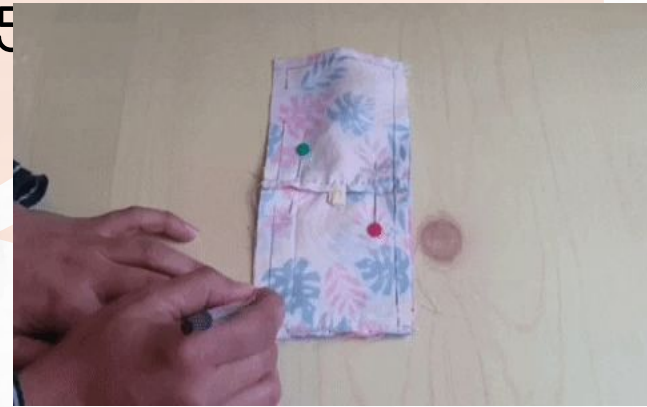

Place the other 2 Part A's on top and fold over. Sew!

Step 7.

Mark 1cm all three sides of this rectangle piece and leave 2 cm for opening. Now sew it on marked lines.

Step 8.

Width of this rectangle will be 10cm, mark half of it 5cm then mark 2.5cm each left and right side. Now from both corners mark again 2.5 cm downwards and join in slanted direction.
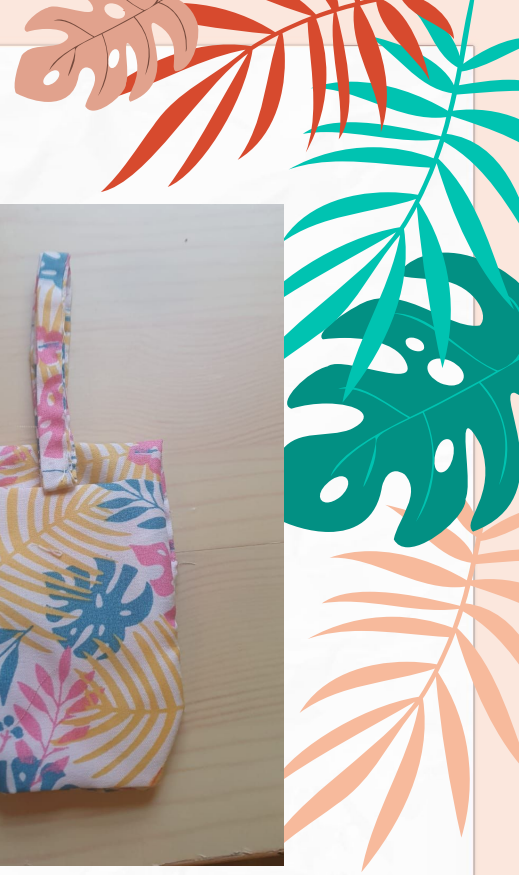

Step 9.

Sew in the marked lines.

Step 10.

Turn inside out from the opening which we left un sew. Now stitch that opening by tucking in .

Step 11.

Step 12.

Turn it inside out again.

Step 14.

JazakAllah
